# BRYAN WILLIS | FRONT END WEB DEVELOPER

---

## SOFTWARE & SKILLS

Javascript, HTML5/CSS3, SaSS, Git, NodeJS, JSON, Linux, Bash Script, Excel/Microsoft Office Suite, Photoshop CC, Graphic Design, Customer Service.

## EDUCATION

**Kennesaw State University** – *Bachelor's in New Media Arts | Focus in Front End Web Development.*

Jan 2013 – May 2016

The program focused on the design and implementation of digital applications and visual media for large corporations. We learned how to communicate with clients to create designs that fit their brand identity and best suit their needs. My personal focus was in utilizing web technologies to create websites for clients.

## EXPERIENCE

**Kennesaw State University** – *Auxiliary Services*

Jan 2014 – PRESENT

- Created price sheets, flyers, posters, wrote proposals, and created print materials to help make students aware of Campus Services.
- Worked daily with customers. Fielded questions and addressed complaints.
- Utilized Microsoft Excel and worked on the daily financial report and other sensitive record keeping/financial documents.

**Digg Marketing** – *SEO Copywriter*

Jan 2013 – Jan 2014

- Did in depth research on real estate properties and their local areas, and wrote targeted online listings in order to sell them.
- Optimized listing pages using proper SEO management techniques.
- Worked in HTML5 & CSS to help with minor code edits
